Memo No. TA-HR(DMC)2014/ 4301  
Dated: 14-05-2014

Subject: **Wrong credits of NPS**

Please refer to the subject cited above.

Kindly refer to State Govt. letter No.1/1/2004-1 Pension dated 04-12-2008 (Copy enclosed),

In this regard it is brought to your kind notice that above instruction of Govt. has not been implemented in letter and spirit. As per clause 6 of the above instruction, the deduction towards New Pension Scheme was to be started from the month following the month of joining service. No deduction is required to be made from the month in which employee joins service. It has been observed that in a number of cases DDOs started deduction on account of NPS contribution in the month of joining itself which is contrary to the above instructions of the State Government.

The attached file contains data of wrong credits in accounts of NPS subscribers i.e. in a period prior to month of joining or month of joining itself. The reason can be the following:-

1. Excess credit given wrongly by the DDOs in the NPS schedule of salary bill .
2. The amount has wrongly been booked in the prior period due to wrong period mentioned in the NPS schedule
3. The amount has wrongly been shown in such period by treasury while uploading the data.

In case of situation no.1, recovery needs to be made. In case of 2 and 3, booking needs to be shifted to correct period. So the data is being sent to you to send the same to all DDOs through your office with direction to verify the same and take remedial action immediately. The amount of recovery may be made by short drawal of NPS contribution from the salary bill of all such subscribers under jurisdiction of concerned DDOs. And if the recovery is in excess of permissible limit, the recovery may be effected in suitable number of installments. The above arrangement will recover the excess amount from concerned subscribers due to short deposit of NPS contribution for the current month on the one hand and deposit of lesser amount to the above extent will offset the excess contribution of Govt's share on the other. The above instruction may be implemented by DDO concerned after verifying each account of NPS subscriber. Further in some cases, the subscribers might have been retired/being retired shortly. In such cases the withdrawal application form may be forwarded to NSDL only after ensuring that no recovery on account of over payment is involved as of above.

The compliance report should be sent within 3 weeks. All DDO under your jurisdiction may be apprised of the above instruction of Govt. The copy of the above instruction may also be displayed on the notice board of all Treasuries/Sub-Treasuries offices to enable all concerned to read the same to avoid any complication at a later stage.
