You may be aware that National Health Mission is a flagship programme of the Government of India which aims at improving access to affordable and quality health. The Programme has large Financial outlays and is constantly expanding in terms of size, scale and scope.

Haryana is implementing this programme in partnership with Government of India. Sh. Sanjeev Goyal, (IA&AS-1996) on deputation under NHM, Haryana as Director (Finance & Accounts) has been relieved. The State urgently requires officers with suitable administrative experience in order to efficiently implement this programme. The officers will be taken in their own pay scale with all other perquisites of an equivalent post in the state government on standard terms and conditions of deputation.

It is requested that the names of suitable officer (equivalent to the rank of Deputy Secretary / Director) who may be willing to come on deputation under National Health Mission in Haryana State may be forwarded to us at the earliest.
